4. **Policy Content**

4.1. Students are expected to use approved forms of communication to add and/or change their enrolment or enrolment status. Forms of communication may include:

4.1.1. Online enrolment via the Student Portal. Online enrolments are open until Thursday of Week 1 for the Semester courses, and until the end of Week 2 for the Trimester courses.

4.1.2. Enrolment Variation forms can be printed from the Student Portal. Form must be signed by the student and submitted to reception. These forms are used only if students are unable to enrol online during the enrolment period; when the online enrolment system has been closed; or when students wish to alter their enrolment (eg withdraw from units) after Week 2.

Where no form is available, students can email: help@curtincollege.edu.au

4.2. Students are expected to enrol in the correct units for their course as outlined in the relevant course flyers or as advised by the appropriate staff. Note: Course flyers and course information are available on the Curtin College webpage and are subject to change. Students should not enroll in units for which they are applying for CRL as CRL granted at a later time will be a cause for enrolled units to be subject to variation and possible under-loading where units are dropped due to CRL being granted.

4.3. Students wanting to apply for CRL must do so at the time of application or up until the end of Week 4 of the trimester (census date). Note: if you are an international student, this may have an impact on your student visa.

Please refer to the CRL policy located on the College’s web page on http://www.curtincollege.edu.au/policies-curtin

4.4. All students must submit a valid enrolment for each study period by the specified due date using the online enrolment system available via the Student Portal. Current (continuing) students who enrol after the due date will be charged a late enrolment fee. This fee may vary at the partner provider’s. Curtin College may reject an enrolment that is attempted after the due date.

4.4.1. Continuing international students who have not re-enrolled and have not responded to our correspondence by the specified due date (end of Week 2 of the Trimester;
Enrolment Policy

Thursday of Week 1 of the Semester) will be withdrawn from the College and their Confirmation of Enrolment (CoE) with Curtin College and Curtin University (if on a packaged offer) will be cancelled (Refer 3.2).

4.4.2. Local students who do not enrol by the due date will be withdrawn from the College.

4.5. International students are required to enrol in a minimum of 75 credit points per study period. All students may, in certain circumstances, apply to study more than the maximum units outlined (over load) or less than the minimum units outlined (under load) in a study period. Students who wish to overload or under load are required to meet with a Student Advisor to complete an application. The application will then need to be approved by the Academic Director or Program Coordinator.

The College will only allow a student to under load under the following circumstances:

4.5.1 where the College deems the circumstances to be exceptional, compassionate and compelling (supported by appropriate evidence and/or an acceptable explanation);

4.5.2 serious or ongoing illness (supported by a medical certificate);

4.5.3 to complete the remaining units in the final study period of a course;

4.5.4 where students are limited by the availability of units appropriate to their current or principle course of study and/or pre-requisite requirements;

4.5.5 the implementation of an ‘Intervention Strategy’ outlined in Curtin College’s Progress and Attendance Policy. A student may only enrol in a unit which has specified pre-requisite or co-requisite requirements where they have met those requirements, or have had the requirements waived by the Academic Director.

5. Adding and changing Units

5.1. A student may add a unit to their enrolment, or change their enrolment via the Student Portal until the end of Week 2 for the Trimester courses; and until the end of Week 1 for Semester Courses.

6. Withdrawing from a Unit

6.1. A student may withdraw from a unit of study by making an appointment with a Student Advisor at any time of the study period.
