1. Overview

1.1. Australian Government regulations ‘The National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (amendment effective July 2007)’ require international students under the age of 18 to have approved accommodation and welfare arrangements while they undertake study in Australia, before a visa is granted.

1.2. This policy provides the operational guidelines for accommodation, support, monitoring, and risk prevention for all underage students.

2. Organisational Scope

2.1. The National Code 2007 and ESOS Act 2000 require the College to ensure appropriate accommodation and welfare arrangements are in place at all time for international students. Students are granted study visas after a number of conditions have been met by the student, the student’s legal guardian(s), and the education provider(s).

International students under 18 years of age must demonstrate to DIBP that they have the approval of a parent or legal custodian to reside in Australia for the duration of the program in which they are enrolled, or until they become 18 years of age

2.2. This policy applies to all prospective and current students under the age of 18 whilst studying at Curtin College, except where otherwise stated.

2.3. For international students with ‘packaged offers’ which involve other providers (eg Curtin University), Curtin College’s responsibility for underage students commences one week prior to orientation and ceases when the student withdraws from the course, transfers to another provider or articulates to Curtin University, whichever is sooner. Where a student doesn’t commence study with Curtin University, the student’s parents need to inform the College of their intentions. Under circumstances deemed appropriate by the College, this responsibility may be extended as required.

2.4. Partner providers that offer a Curtin College award are responsible for the management and support services for underage students as outlined in the specific Service Level Agreements.

2.5. The Colleges responsibility with local students ends at the completion of their course or upon withdrawal or termination of their studies.
2.6. Staff will be informed about this policy at induction where it is related to their duty statement. Training for all staff on this policy will be provided on an annual basis at minimum.

2.7. Students will be informed about this policy at Orientation and at information sessions which take place at the commencement of their course.

### 4. Policy Principles

4.1. All application forms received by the College on behalf of a student under the age of 18 must be signed by the parent or legal guardian of such a student.

4.2. Ensure that the College enrolls students under the age of 18 years according to ESOS legislation and the National Code.

4.3. The College must be satisfied with the appropriate welfare and living arrangements in place for underage students for the duration of their studies or until they turn 18 years of age, whichever is earlier. Failure to do so will put an international student in breach of one of their visa conditions.

4.4. Private accommodation without care arrangements in place is *not permitted* for underage international students.

4.5. Non-related accommodation providers and staff who work with students in the course of their duties will be required to obtain a WWCC or National Police Certificate.

4.6. Local underage students are monitored by the Student Advisory Team, but there are no requirements pertaining to their accommodation/care arrangements.

### 5. Policy Content

5.1. Curtin College has in place procedures to:

   5.1.1. Record and monitor accommodation arrangements on its Student Management System;

   5.1.2. Ensure the college is compliant with ESOS legislation and the National Code in regard to its cohort of international students;

   5.1.3. Monitor and report underage international students where they are deemed to be in breach of their visa conditions;

   5.1.4. Place international students in appropriate accommodation and care arrangements;

   5.1.5. Provide welfare support for all underage students, local and international;

   5.1.6. Ensure employees working with underage students have submitted a ‘Working with Children Check’ or National Police Certificate, as required.

   5.1.7. Assist the student in making appropriate alternative arrangements and confirming these arrangements with the parents/legal guardians.

### 6. International Students

6.1. **Approval of living arrangements for underage international students studying at Curtin College**

   6.1.1. Curtin College will only issue Confirmations of Enrolment (CoE) to a student under the age of 18 when appropriate living arrangements have been made and confirmed by the parent or Legal Guardian (Relevant document: “Minors Form A – Under 18 Student Welfare and Accommodation Approval Form”)

   6.1.2. Curtin College will only approve the living arrangements if the student is living in one of the following arrangements:
Underage Student Management Policy

- **Living with a parent**

- **Living in Curtin College approved home-stay** – Curtin College staff will obtain written confirmation from the Home-stay Placement Coordinator that appropriate accommodation arrangements have been made for the student. The Home-stay Placement Coordinator will provide Curtin College with updated details when the student has been allocated to a home-stay accommodation.

- **Living with a suitable relative** - A ‘suitable relative’ means a brother, sister, step-parent, step-brother, step-sister, grandparent, aunt, uncle, niece or nephew, step-grandparent, step-aunt, step-uncle, step-niece or step-nephew or nominated by the parents who is at least 21 years of age. A suitable relative is required to complete the following:
  o A Curtin College Local Care Duty Statement (LCDS) confirming that they agree to the responsibilities associated with being a Local Carer.

- **Living with a Local Carer who is not a relative** - Parents may nominate a non-relative to be the Local Carer provided that they are at least 21 years of age and of good character. The Local Carer must be approved by the College and is required to complete the following:
  o A Curtin College Local Care Duty Statement (LCDS) confirming that they agree to the responsibilities associated with being a Local Carer
  o A National Police Certificate or Working with Children Check (no more than 2 years old)

6.1.3. Curtin College will approve the living arrangements for an underage student when they have received completed documentation and are satisfied that the accommodation arrangements for the student are appropriate. Curtin College will then issue a “Confirmation of Appropriate Accommodation/Welfare Arrangements” letter at the time of issuing CoE.

- **Change of Accommodation** - It is the responsibility of the Student/Parent/Legal Guardian/Home-stay Placement Coordinator to contact the College if there is a change of accommodation or guardianship.

6.2. **Non-approved or Inappropriate Accommodation Arrangements**

6.2.1. In cases where the College staff are unable to confirm appropriate arrangements for accommodation and welfare within a 10 day period the College will undertake to contact the parents to make alternative Local Carer / Relative / Home-stay arrangements.

6.2.2. Where the College deems that the accommodation and welfare arrangements for an enrolled underage student have become unsuitable and all attempts to assist the student to maintain appropriate arrangements have been exhausted, the College will carry out its regulatory requirements and report the student to DIBP using the ‘Non-approval of Appropriate Accommodation/Welfare Arrangements’ form on PRISMS.

6.3. **Obligations of the Student**

6.3.1. Students who change their accommodation arrangements without the approval from the College will be counseled as this is regarded as a breach of their student visa conditions.

6.3.2. A student wishing to change living arrangements (eg change local Carer or address) must contact the College to obtain approval before doing so.

6.4. **Approving arrangement for semester breaks**

6.4.1. Underage international students who are residing in Australia in an approved living arrangement may be allowed to temporarily change their accommodation arrangements
Underage Student Management Policy

(other than returning home) during a semester break or during semester, provided the following conditions are met:

- Student to meet with Student Advisory Manager / Student Advisor at least two weeks prior to end of semester of a change being made.
- Parents or legal custodian of the student must provide written approval of the temporary arrangements.

6.4.2 Curtin College reserves the right to refuse an application where it feels the student’s welfare will be put at risk by the change.

6.5. Period of Curtin College Responsibility for Accommodation and Welfare Arrangements

6.5.1. For international students with ‘single course offers’ (only studying at Curtin College), who will stay with a local carer either nominated or approved by parents, a Confirmation of Appropriate Accommodation/Welfare Arrangements letter will be issued for which the nominated period of responsibility will be at least 7 days beyond the CoE date.

6.5.2. For students with ‘packaged offers’ which involve other providers such as Curtin University, Curtin College’s responsibility for underage students commences one week prior to orientation and ceases when the student withdraws from the course, transfers to another provider or matriculates to Curtin University (whichever is sooner). Where a student doesn’t commence study with Curtin University their parents need to inform Curtin College of their intentions. Under circumstances deemed appropriate by the College, this responsibility may be extended as required.

7. Obligations of the Local Carer / Relative / Home-stay Placement Coordinator/Parent/Legal Guardian

7.1. The following processes are recorded in the Colleges Student Management Information System:

7.2. Curtin College will contact the registered Local Carer / Relative / Home-stay Placement Coordinator each study period (three times per year) to confirm that living arrangements for the student are appropriate. This will continue until either the student turns 18 or graduates from Curtin College.

7.2.1. It is the responsibility of the Local Carer / Relative / Home-stay Placement Coordinator/Parent/Legal Guardian to respond to the College within 10 working days of receiving a request from the College to confirm that the living arrangements have not changed and that they agree to their obligations in regards to the underage student in their care.

9.1.1. Confirmation of appropriate living arrangements each study period - Curtin College will reconfirm living arrangements for students under the age of 18 each study period. Where living arrangements cannot be confirmed within a 10 day period or the living arrangements are deemed to be unsatisfactory the College will take steps to take appropriate steps to ensure the welfare and safety of the student (see item 6.1 above “Non-approved or Inappropriate Accommodation Arrangements”)
