INDIGENOUS ACKNOWLEDGEMENT

Curtin University acknowledges the traditional owners of the land on which the Bentley Campus is located, the Wadjuk people of the Nyungar Nation; and on our Kalgoorlie Campus, the Wongutha people of the North-Eastern Goldfields.
WELCOME TO CURTIN

Curtin University is globally recognised for its strong connections with industry, high-impact research and wide range of innovative courses.

When choosing Curtin, you will be immersed in technology-rich environments inspired by innovation, creativity and high-impact research. You’ll build life skills, join a truly international community and become part of a forward-thinking culture committed to sharing innovative ideas.

With campuses in Western Australia, Malaysia, Singapore, Dubai and Mauritius you will have exposure to international environments and world-wide thinking.

GAIN REAL-WORLD EXPERIENCE

At Curtin you will put into practice what you learnt in the classroom. The fieldwork scheme will allow you to gain ‘real world experience’ and cope with the demands of the workplace. Fieldwork activities can include work placements, overseas fieldtrips, industry projects for real clients, site visits, study tours or laboratory practices.

ACCESS CUTTING EDGE FACILITIES

Curtin University facilities are designed to enhance your student learning experience through innovative teaching spaces. These facilities are equipped with the same technology and resources you will be using in the workplace after graduation.

BROADEN YOUR SKILL SET

There are some skills you cannot learn in the classroom, so Curtin provides you with free leadership and volunteering programs to help you build interpersonal skills, boost your confidence and get involved into the community.

JOIN AN INTERNATIONAL FAMILY

When you join Curtin, you join an international family. With over 58,000 students, Curtin is ranked as one of the world’s most international Universities and the 9th nationally in the Times Higher Education World University Rankings.

Ranked in the top one per cent of universities worldwide

(Academic Ranking of World Universities 2019)

TOP 50

Universities in the world for the field of Hospitality & Tourism Management

(Shanghai Ranking’s Global Ranking of Academic Subjects (GRAS) 2019)

Perth, the place to study!

Located on the coast of Western Australia and surrounded with beautiful beaches, Perth is a multicultural city offering world-class education, Mediterranean weather, clean and safe environment, and friendly residents.

TRANSPORT
There are two main types of public transport in Perth: the bus and train. All buses within the Perth, Fremantle and Joondalup city zones are free for everyone. As an international student, you are eligible for concession fees and you will receive 40% discount on all rides.

EXPLORE THE CULTURAL CENTRE
Perth’s Cultural Centre is conveniently located in Northbridge where you can visit the Art Gallery of WA, Perth Institute of Contemporary Arts and the WA Museum. This vibrant city is home to many arts and cultural attractions and hosts numerous festivals and events.

DISCOVER FREMANTLE
If you head off to the port city of Fremantle you can explore the local markets, the heritage buildings and learn about WA history.

VISIT ROTTNEST ISLAND
Rottnest Island is just a 40-minute ferry ride from Perth and is a must to visit. Hire a bicycle and explore the island with its breathtaking beaches. Before leaving, do not forget to take a selfie with the quokka.

OUTDOOR ACTIVITIES
Visit Kings Park, which is larger than Central Park in New York, and enjoy the view of the beautiful Perth city. Kings Park has over 3000 native species of WA’s unique flora and is the perfect spot to have a stroll or a picnic with friends.

WILD LIFE
Head to Caversham Park to discover Australia’s wildlife and pat a koala, hold a wombat, feed a kangaroo or pony. This is your opportunity for a close-up encounter with some Australian icons.

Average temperature: 8°C - 30°C
(en.climate-data.org)

Population: 2.14 million
(www.population.net.au)

Sunniest capital in Australia with 265 days of sunlight
(www.currentresults.com)

Culturally diverse population: 32.2% of Perth residents were born overseas
(www.omi.wa.gov.au)

One stop to Asia
(www.international.curtin.edu.au)
Perth, the place to study!

Perth has a Mediterranean climate.

Approx $80-150 per week

**UTILITIES (per month)**
- On-Campus: Included
- Off-Campus: $35 - $140
- Homestay: Included

**INTERNET (per month)**
- On-Campus: Included
- Off-Campus: $20 - $55
- Homestay: Included

**PUBLIC TRANSPORT**
Approximately $20 per week, depending where you live
ACCOMMODATION OPTIONS

There are several options for you to stay on-campus or off-campus. It all depends on the type of lifestyle you want to have. Maybe you want to stay with friends or with an Australian homestay family for a full cultural experience right from the start.

ON-CAMPUS ACCOMMODATION
Living on campus is a great opportunity to make new friends, focus on your studies and access a range of support services. On-campus accommodation rooms are fully furnished and have many recreational activities for you to socialise. All utilities are included and you will have free parking plus free gym membership at the Curtin Stadium.

curtincollege.edu.au/student-life/international-students/accommodation/

OFF-CAMPUS ACCOMMODATION
Living off-campus and sharing house or apartment with other students is the most popular way of off-campus accommodation. You would have the option to rent a furnished or unfurnished room but there are some other extra costs you should consider such as utilities, internet, washing, parking etc.

ACCOMMODATION TIPS
We recommend you organise temporary accommodation for 2 to 4 weeks prior you arrive in Perth, as it is very important to inspect the house and meet the people you may live with before you move in.

You can find temporary accommodation on the following websites:
- airbnb.com
- Flatmates.com.au/Perth

HOMESTAY
Living with a homestay family is a great way to immerse yourself into the Australian culture, meet local people and improve your English language skills. Each homestay offers self-catered options with or without meals to meet your requirements.

curtincollege.edu.au/student-life/international-students/accommodation/

THE BOULEVARD AND CAMPUS PERTH
These two off-campus accommodations are located right in the heart of the city and 20 minutes away from the Curtin University campus. The rooms have been designed exclusively for students to enhance your student experience.
- thestudenthousingcompany.com.au
- campusperth.com
As a Curtin College student, you will have access to the University’s first class facilities and there are plenty of spaces with different features for you to explore. Spend a day on the bean bags, lay down at the hammock’s hotel or simply study at the library with an open and friendly environment.

CURTIN COLLEGE FACILITIES
- Modern classrooms and study areas
- Computer labs
- Student kitchen
- Student common room

CURTIN UNIVERSITY FACILITIES
- Curtin Stadium
- TL Robertson Library
- Multifaith prayer and meditation room
- Retail outlets
- Cafes, restaurants and foodtrucks
- Banking facilities
- Medical centre
- CurtinTavern
- Childcare centre
- Curtin student clubs

Please note: ‘ancillary fees’ may apply
STUDENT SUPPORT

There is a variety of student support programs to assist you to attain academic success and transition into your new student life.

STUDENTS MENTORS
Student mentors share their experiences to help you overcome any challenges you may face as a new student. Mentors organise social activities for you to meet new people, discuss student matters and make the most of the Curtin experience.

ACADEMIC DROP IN SESSIONS
Academic drop in sessions are schedule every week and last for 2 hours. This provides you the opportunity to access one-on-one help without making an appointment. You receive individual assistance with the preparation of assignments, referencing, language skills and general study skills.

ACADEMIC PEERS
Academic peers are high achieving students who wish to assist you with your studies. This is a great way to get to know other students and learn from their experience. A list of academic peers for each unit can be found within Moodle.

ONLINE STUDY KIOSK
The Curtin College student portal contains important information relevant to your studies. It includes unit outlines, course notes, student handbook, timetable enrolment and fee information. The study kiosk provides you with learning support and wellbeing resources.

STUDENT COUNSELLOR
Our student counsellor provides confidential help and support on an individual level. This is a free service available to all students.

ALEP – ACADEMIC LANGUAGE ENRICHMENT PROGRAM
If English is your second language, we provide free English language classes to help you expand your vocabulary.

FREE AIRPORT PICK UP SERVICES
When you arrive in Perth for the first time, you are eligible for the free airport pick up service. Please email admissions@curtincollege.edu.au to enquire about your airport pickup.

SAFE CAMPUS
Curtin University campus offers 24/7 safety services and systems to keep you safe. Download the safezone security app and enjoy free security services such as security escorts, courtesy rides and mechanical assistance.

ORIENTATION AND ARRIVAL
Orientation provides you with information and advice relating to your studies. It is an opportunity to make new friends, meet your lectures and get to know the campus. You will also be introduced to our student mentors who will help you navigate any challenges you may face as a new student.
ON-CAMPUS PATHWAY

Curtin College Diploma programs pathway into Year 2 of selected bachelor degrees at Curtin University. With a flexible trimester system and a supportive learning environment, Curtin College is your only on-campus pathway to a Curtin degree.

ACCREDITATION
Curtin College is a registered higher education provider and is accredited by Tertiary Education Quality and Standards Agency (TEQSA).
Qualifications in Australian education and training are regulated by the Australian Qualifications Framework (AQF).

CURTIN COLLEGE PATHWAY PROGRAMS

- Business and Commerce
- Engineering
- Communications, Arts and Design
- Health Sciences
- Computer Science and IT
- Architecture and Construction

CURTIN COLLEGE DIPLOMA ADVANTAGES:

- On successful completion of the Diploma (Stage 2) you will receive a higher education award.
- The Diploma (Stage 2) is equivalent to year 1 of selected bachelor degrees at Curtin University.
- You will enjoy the benefits of small class sizes and will learn in a supportive learning environment.
- You will be eligible to fast-track the course and complete it within 8 to 12 months depending on the course of study.
- You will have access to a variety of support services at no extra cost.
- You will study on-campus at Curtin University and experience university life from the start.
Designed to prepare you for the global business environment.

The Diploma of Commerce pathway leads into the Bachelor of Commerce or Bachelor of Business Administration at Curtin University. Throughout the course, you will be immersed in the core fundamentals of business and commerce with various majors to choose from.

## DIPLOMA OF COMMERCE
- Bachelor of Commerce
- Bachelor of Business Administration

### Bachelor of Commerce Majors
- Accounting
- Advertising
- Business Information Systems (Professional)
- Business Information Technology (Professional)
- Business Law
- Economics
- Entrepreneurship
- Event Management
- Finance
- Human Resource Management
- International Business
- Logistics and Supply Chain Management
- Management
- Marketing
- Property
- Property Development and Valuation
- Public Relations
- Tourism and Hospitality

There may be variance to study plans depending on the choice of major.

### DIPLOMA (STAGE 1)
- **Units**
  - Academic Communication Skills
  - Academic Research and Writing
  - Accounting
  - Economics
  - Information and Media Technologies
  - Management
  - Marketing
  - 1x elective

### DIPLOMA (STAGE 2)
- **Core Units**
  - Business Law
  - Communication in Business
  - Discovering Marketing
  - Fundamentals of Management
  - Introduction to Accounting
  - Introduction to Business Information Systems
  - Introductory Economics

**Major related units (electives):**
- Consumer Behaviour
- Introduction to Finance Principles

### WHERE THIS CAN TAKE YOU
**CAREERS INCLUDE**
- Accountant
- Advertising account executive
- Business manager
- Business systems analyst
- Economist
- Financial dealer and broker
- Marketing officer
- Management consultant
- Tourist information officer

# Health Science

The Faculty of Health Science offers internationally and nationally valued degrees providing a strong foundation to many different career options. The Diploma of Health Sciences provides pathways into a wide array of courses.

### STAGE 1 COURSES

#### DIPLOMA (STAGE 1): EXERCISE & SPORTS SCIENCE, HEALTH SCIENCES, NURSING, NUTRITION AND FOOD SCIENCE, OCCUPATIONAL THERAPY, PHARMACY, PHYSIOTHERAPY, PSYCHOLOGY

**Core Units**
- Academic Communication Skills
- Academic Research and Writing
- Chemistry
- Essential Mathematics
- Human Biology
- Information and Media Technologies
- 2 x elective units

#### DIPLOMA (STAGE 1): HUMAN BIOLOGY, LABORATORY MEDICINE, MOLECULAR GENETICS & BIOTECHNOLOGY

**Core Units**
- Academic Communication Skills
- Academic Research and Writing
- Essential Mathematics
- Human Biology
- Information and Media Technologies
- 3 x elective units

### STAGE 2 COURSES

#### DIPLOMA (STAGE 2): EXERCISE, SPORTS & REHABILITATION SCIENCE

**Core Units**
- Evidence Informed Health Practice
- Exercise Science for Health
- Functional Anatomy
- Human Physiology for Exercise Science
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Introduction to Psychology

#### DIPLOMA (STAGE 2): HEALTH SCIENCES

**Core Units**
- Foundations of Biostatistics and Epidemiology
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Introduction to Psychology
- Introduction to Public Health
- 2 x elective units

#### DIPLOMA (STAGE 2): HUMAN BIOLOGY PRECLINICAL

**Core Units**
- Evidence Informed Health Practice
- Foundations of Biomedical Sciences
- Human Structure & Function
- Indigenous Cultures and Health Behaviours
- Introduction to Psychology
- Introduction to Public Health
- 2 x elective units

### DIPLOMA (STAGE 2): LABORATORY MEDICINE

**Core Units**
- Foundations of Biostatistics and Epidemiology
- Foundations for Professional Health Practice
- Foundations of Biomedical Sciences
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Integrated Systems Anatomy & Physiology
- Introduction to Biological Chemistry
- Introduction to Chemistry

### DIPLOMA (STAGE 2): MOLECULAR GENETICS & BIOTECHNOLOGY

**Core Units**
- Foundations of Biostatistics and Epidemiology
- Foundations for Professional Health Practice
- Foundations of Biomedical Sciences
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Integrated Systems Anatomy & Physiology
- Introduction to Biological Chemistry
- Introduction to Chemistry

### DIPLOMA (STAGE 2): NURSING

**Core Units**
- Evidence Informed Health Practice
- Foundations for Professional Health Practice
- Foundations for Nursing Practice
- Fundamentals of Nursing Practice
- Human Structure & Function
- Imagining Health in Social & Cultural Contexts
- Indigenous Cultures & Health Behaviours
- Integrated Systems, Anatomy & Physiology

### DIPLOMA (STAGE 2): NUTRITION AND FOOD SCIENCE

**Core Units**
- Biological Chemistry
- Food & Nutrition Principles
- Integrated Systems Anatomy and Physiology
- Foundations of Biostatistics and Epidemiology
- Foundations for Professional Health Practice
- Human Structure & Function
- Indigenous Cultures and Health Behaviours
- Reactivity and Function in Chemistry

### DIPLOMA (STAGE 2): OCCUPATIONAL THERAPY

**Core Units**
- Evidence Informed Health Practice
- Foundations for Professional Health Practice
- Human Structure & Function
- Indigenous Cultures and Health Behaviours
- Functional Anatomy
- Introduction to Clinical Anatomy & Physiotherapy Practice
- Foundations of Pathophysiology
- Introductory Physiotherapy Practice

### DIPLOMA (STAGE 2): PHYSIOTHERAPY

**Core Units**
- Evidence Informed Health Practice
- Foundations for Professional Health Practice
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Introduction to Psychology
- Science & Professional Practice in Psychology

### DIPLOMA (STAGE 2): PSYCHOLOGY

**Core Units**
- Brain & Behaviour
- Evidence Informed Health Practice
- Foundations for Professional Health Practice
- Foundations of Psychology
- Human Structure & Function
- Indigenous Cultures & Health Behaviours
- Introduction to Psychology

### WHERE THIS CAN TAKE YOU

**Careers Include**
- Biomedical scientist
- Biotechnologist
- Clinical biochemist
- Clinical molecular geneticist
- Exercise/sports scientist
- Food scientist
- Forensic scientist
- Health administrator
- Laboratory technician
- Mental health practitioner nurse
- Nutritionist
- Occupational health & safety officer
- Occupational therapist
- Pathologist
- Pharmacist
- Physiotherapist
- Rehabilitation counsellor
- Research & development
- Toxicologist

### Annual Salary Average (AUD)

- $97,292 (Medical laboratory scientist)
- $99,268 (Registered nurse)
- $102,908 (Food scientist)
- $81,588 (Occupational therapist)
- $103,584 (Nutrition professional)
Get an industry-connected experience, uniquely placed to provide solutions to the challenges faced by the global community.

The Diploma of Engineering pathways into the Bachelor of Engineering (Honours). Throughout the course, you will develop the knowledge and practical, real-world skills to make tomorrow better.

**DIPLOMA OF ENGINEERING**

Bachelor of Engineering (Honours)

**Majors**

- Chemical Engineering
- Civil and Construction Engineering
- Electrical and Electronic Engineering
- Industrial and Systems Engineering
- Mechanical Engineering
- Mechatronic Engineering
- Mining Engineering
- Metallurgical Engineering
- Petroleum Engineering

---

**DIPLOMA (STAGE 1):**

**Core Units**

- Academic Communication Skills
- Academic Research & Writing
- Chemistry
- Essential Mathematics
- Technical Mathematics
- Physics
- Programming
- 1 x elective unit

**DIPLOMA (STAGE 2)**

**Core Units**

- Academic Communication
- Electrical Systems
- Engineering Foundations: Design & Processes
- Engineering Foundations: Principals Communication
- Engineering Materials
- Calculus for Engineers
- Linear Algebra and Statistics for Engineers
- Engineering Mechanics
- Engineering Programming

---

**WHERE THIS CAN TAKE YOU**

CAREERS INCLUDE

- Aircraft engineer
- Automotive engineer
- Building and engineering technician
- Chemical engineer
- Civil engineer
- Drilling engineer
- Electrical engineer
- Electronics engineer
- Environmental engineer
- Materials engineer
- Mechanical engineer
- Mechatronics engineer
- Metallurgical engineer
- Minerals and mineral process engineer
- Mining engineer
- Petroleum engineer
- Product quality controller
- Production engineer
- Renewable energy engineer
- Telecommunications engineer

**ANNUAL SALARY AVERAGE (AUD)**

- $102,024 (Civil engineering professional)
- $112,320 (Electrical engineer)
- $162,136 (Mining engineer)

Graduate ready to make your mark on the world with an architecture or built environment degree.

Throughout the course, you will develop skills, join an international community and become part of a forward-thinking culture.

**DIPLOMA OF BUILT ENVIRONMENT**
- Bachelor of Applied Science
  - Architectural Science
  - Construction Management
  - Interior Architecture
- Bachelor of Arts
  - Urban and Regional Planning

**STAGE 1 COURSES**

**DIPLOMA (STAGE 1): ARCHITECTURAL SCIENCE, INTERIOR ARCHITECTURE, URBAN AND REGIONAL PLANNING**

**Core Units**
- Academic Communication Skills
- Academic Research and Writing
- Design Skills
- Information & Media Technologies
- Introduction to Design Computing
- 3 x elective units

**DIPLOMA (STAGE 1): CONSTRUCTION MANAGEMENT**

**Core Units**
- Academic Communication Skills
- Academic Research and Writing
- Essential Mathematics
- Information & Media Technologies
- Introduction to Design Computing
- 3 x elective units

Kick-start your global career by studying a degree in communications, design and the arts.

The Diploma of Arts and Creative Industries leads into the Bachelor of Arts or Bachelor of Communications. You will learn transferrable skills in communication, creativity, critical thinking, digital knowledge, presentation, problem solving, research and teamwork that can be applied to a range of workplaces in the creative industry.

DIPLOMA OF ARTS AND CREATIVE INDUSTRIES

Bachelor of Communications
Bachelor of Arts (Humanities)

DIPLOMA (STAGE 1):

Core Units
- Academic Research & Writing
- Academic Communication Skills
- Information & Media Technologies
- Media, Culture & Communication (Social Sciences & Mass Communications only)
- Design Skills (Design & Art only)
- Introduction to Design Computing (Design & Art only)
- 3 to 4 elective units

DIPLOMA (STAGE 2): CREATIV

ADVERTISING & GRAPHIC DESIGN, DIGITAL DESIGN, FASHION, FINE ARTS, PHOTOGRAPHY & ILLUSTRATION DESIGN

Core Units
- Academic & Professional Communications
- Culture to Cultures
- Design Computing 1
- Discovering Marketing
- Introduction to Screen Practice

Course Specific Units
- Art & Creativity
- Art and Design Fundamentals
- Design Principles and Process

DIPLOMA (STAGE 2): CREATIVE WRITING, INTERNET COMMUNICATIONS, JOURNALISM, LITERARY AND CULTURAL STUDIES, MASS COMMUNICATION, PERFORMANCE STUDIES, PROFESSIONAL WRITING & PUBLISHING, SCREEN ARTS, ANTHROPOLOGY & SOCIOLOGY, HISTORY, INTERNATIONAL RELATIONS

Core Units
- Academic & Professional Communications
- Culture to Cultures
- Design Computing 1
- Discovering Marketing
- Introduction to Screen Practice

WHERE THIS CAN TAKE YOU

CAREERS INCLUDE

Actor | artist | curator | editor | fashion designer | filmmaker | graphic designer | journalist | marketing and social media manager | marketing manager | publisher | photographer writer | public relations manager | social scientist | web developer

ANNUAL SALARY AVERAGE (AUD)†

- $81,952 (Journalist and writer)
- $82,992 (Web developer)
- $69,992 (Graphic designer)
- $96,980 (Public relations professional)

The Diploma of Information Technology addresses a significant market demand for skills associated with the design of distributed computing environments and the networks that underpin them.

Learn about computer technology, hardware and software, as well as computer communications and network management. Study the fundamentals of programming and theoretical knowledge of computing.

DIPLOMA OF INFORMATION TECHNOLOGY

- Bachelor of Technology
- Bachelor of Science

**Majors**
- Computer Systems and Networking
- Computing, (specialised streams include Cyber Security, Computer Science, Information Technology, and Software Engineering)

**DIPLOMA (STAGE 1): INFORMATION TECHNOLOGY**

**Core Units**
- Academic Communication Skills
- Academic Research and Writing
- Essential Mathematics
- Information and Media Technologies
- Programming
- Technical Mathematics
- 2 x elective units

**DIPLOMA (STAGE 2): INFORMATION TECHNOLOGY**

**Core Units**
- Academic Communications
- Database Systems
- Data Structures and Algorithms
- Introduction to Software Engineering
- Linear Algebra 1
- Object-orientated Program Design
- Foundations of Computer Science
- Statistical Data Analysis
- Unix and C Programming

**WHERE THIS CAN TAKE YOU**

**Careers Include**
- Analyst (Information Technology) | Computer Engineer | Information Technology Support Technician | Information Technology Support Specialist | Information Technology Support Administrator | Network & System Administrator | Programmer (Information Technology) | Systems Analyst | Systems Designer (Information Technology) | Telecommunications Manager

**Annual Salary Average (AUD)**
- $77,896 (ICT support technician)
- $118,248 (ICT business and systems analyst)
- $105,092 (Computer network professional)
- $104,156 (Software & app programmer)

**Accredited by the Australian Computer Association**

KICK-START YOUR CAREER WITH AN INTERNSHIP

curtincollege.edu.au/internship

Become job-ready

Curtin College works together with Navitas Professional to provide a unique internship program which offers you the opportunity to gain real-world experience with industry, and equips you with career readiness skills that will give you a competitive advantage over your fellow graduates.

WHAT IS AN INTERNSHIP?

An internship is a temporary unpaid position within an organisation where the emphasis is on-the-job training. Through an internship you will be able to:

• Gain invaluable work experience within an Australian environment
• Transfer knowledge, skills, methodologies and theories from your university into a practical capacity
• Further develop technical skills within your professional field
• Enhance your confidence in resume writing, interviewing technique and professional communication skills
• Increase your chances of full-time employment post-graduation
• Work placement do not form part of your curriculum

BENEFITS OF THE INTERNSHIP

• Gain practical work experience to assist with your education and training
• Experience the Australian workplace and culture
• Practice what you have learnt throughout your studies
• Receive training and mentoring in a real life situation
• Enhance your resume and your career prospects
• Develop your professional network

ABOUT THE PROGRAM

The Navitas Professional program consists of three preparatory career readiness workshops conducted on at Curtin College, an interview preparation session and an internship placement. Every step of the Curtin College Diploma Internship Program is conducted by qualified professionals and industry experts. When you start your Navitas Professional program you will be assigned an Internship Placement Coordinator (IPC) who will be able to help you every step of the internship process. Your IPC will also help you find an internship within a company relevant to your area of study. Upon successful completion of the program, you will be awarded a certificate of completion and will have gained valuable experience within the Australian workplace.

WHEN CAN I START?

The internship can be commenced straight after completion of at least one study period of the Diploma (Stage 2) at Curtin College.

INTERNSHIP INFORMATION

Duration:
8 to 12 weeks supervised internship

Industry:
Servicing multiple placement industries across Western Australia

*This internship is not part of the Diploma program
HOW TO APPLY
How to apply | 21

There are five main steps to follow:
1. Visit our website
2. Gather your application documents
3. Submit your application
4. Apply to Curtin College
5. Accept your Letter of Offer.

1. VISIT
Visit the Curtin College website. curtincollege.edu.au/how-to-apply
Here you will find additional information about how to apply and what you need for your application.

2. COLLECT
Get your documents together.
When you are ready to apply be sure that you have the following documents ready to attach: coloured or certified copies of your academic qualifications and passport.

3. COMPLETE
Fill in the online application form. curtincollege.edu.au/how-to-apply/apply-now
The online application form is easy to complete. Enter your details, select your course and upload your supporting documents when requested. You can provide additional information at this stage if you would like to speed up your application.

4. APPLY
Hit send!
Once you have completed the online application, hit send and we'll take care of the rest.

5. WHAT NEXT?
What happens after you have applied?
If your application is successful, you’ll receive a Letter of Offer. This usually takes 2-3 working days (but can take longer if your application is incomplete or if you are seeking credit for previous studies).
You must accept your Letter of Offer to secure your place at Curtin College and Curtin University.
Visit curtincollege.edu.au/how-to-apply/accepting-your-offer for details on how to accept your offer.

QUESTIONS?
If you have questions or need help with your Curtin College application, please email admissions@curtincollege.edu.au
