## 5. Policy Implementation

## Refund Policy

### 5.1. Fees

- 5.1.1 Once an applicant accepts a place offered by the College and pays fees or incurs a FEE-HELP debt, a binding contract is created between the student and the College.
- 5.1.2 The person signing the acceptance forms is liable for payment of all fees.
- 5.1.3 Provision has been made to safeguard payments made in advance by students. All program fees will be deposited into the Curtin College Student Fees Account. When the student commences study, the College will draw down these funds from the Student Fees Account.

### 5.2. Refunds

- 5.2.1 A student may cancel their enrolment in a unit or program at any point in time. Depending on the timing of that request, a FEE-HELP debt and/or cancellation charges may apply.
- 5.2.2 A student who wishes to claim a refund will need to complete a refund application form and submit appropriate supporting documentation (forms are available at reception or emailing [ccfees@curtincollege.edu.au](mailto:ccfees@curtincollege.edu.au)). The refund will be calculated in accordance with the conditions set out in the Fee Refund Schedule (Schedule 1 and 2) as outlined in the tables below.
- 5.2.3 Cancellation charges for withdrawal from a program will be applied to the total tuition fees payable for the study period. For commencing students the tuition fees payable are based on a full time study load, whereas continuing students tuition fees are based on the study load of units selected (enrolled in) in that study period.
- 5.2.4 Where a commencing student enrolls in less than a full time study load or withdraws from a single unit on or before week 4 of their first study period, tuition fees for that unit will not be refunded but will instead be credited to the following study period. In the event that the student withdraws from the program before using the tuition fee credit, the credit will be forfeited.
- 5.2.5 Where a student wishes to withdraw from their program of study, the student must complete and submit a Program Withdrawal Form to obtain a refund. *Note: for international students on a 'student visa' the College will carry out any relevant reporting requirements in accordance with legislation.*
- 5.2.6 Where a student withdraws from their program of study, refunds will be paid within 4 weeks of the student withdrawing.
- 5.2.7 Where a continuing student with a tuition fee credit recorded on their account after week 4 of their study period wishes to obtain a refund, the student must complete a Refund Request Form and submit to Reception, showing their Student ID card.
  - 5.2.7.1. Where the student is entitled to a refund of fees under this policy the refund will be paid within 4 weeks of receiving a written (or online) request from the student and subsequent to all relevant details being supplied.
- 5.2.8 Refunds will only be made by direct deposit (electronic funds transfer) into a bank account nominated by the student on the Refund Request form, or, where fees were paid by credit card, by issuing a credit to that credit card.
- 5.2.9 Refunds will be paid in Australian dollars to the person who entered into the contract with the institution (normally the student), unless that person gives a written direction to the institution to pay the refund to another person.
- 5.2.10 Non-self-supporting students are required to declare that they have their parents' (or legal guardians) permission to obtain a refund of tuition fee credits. Whilst all care is taken, the institution takes no responsibility for refunding monies to a student who has misled the institution regarding permission of parents to do so.
- 5.2.11 Students who are officially sponsored will not be permitted to request a refund of any tuition fee credits. In such circumstances, the recorded sponsor must apply to Curtin College for a refund.
- 5.2.12 Requests for refunds in excess of \$3000 must be approved by the College Director or their nominee.
- 5.2.13 Curtin College will use its best endeavors to ensure that students are aware of any available refunds under this policy, however, it is the responsibility of the student to be aware of any

Students can access their account details through the College's student portal.

- 5.3.3 Where an international student's visa renewal is rejected due to a breach in visa conditions, the student must withdraw from the College and there will be no refund.

### 5.4. Deferral

- 5.4.1 Prior to commencing their program and subject to approval, students may apply in writing to defer program commencement to a later study period for reasons other than not meeting admissions requirements such as compassionate and compelling circumstances. The College will credit any fees paid to the relevant study period without penalty. If the student subsequently withdraws, the Refund Policy will apply as at the date the original request for deferment was received regardless of a subsequent offer being made.
- 5.4.2 A current student can apply to defer their program at any point in time. Depending on the timing of that request, a FEE-HELP debt and/or cancellation charges may apply.
  - 5.4.2.1. Both international and domestic full fee-paying students applying for deferral of studies within the first four weeks of the commencement of the study period will have their fees transferred to the subsequent period. If the student subsequently withdraws, the Refund Policy will apply as at the date the original request for deferment was received.
  - 5.4.2.2. International and domestic students applying for deferral of studies from the fifth week of the study period will have all fees applicable for that study period forfeited.

Requests must be made in writing within twelve months of the date of the withdrawal request or the conclusion of the study period in which the unit(s) were undertaken.
