Why choose Curtin University?

RANKED IN THE TOP 1% OF UNIVERSITIES WORLDWIDE

ACADEMIC RANKING OF WORLD UNIVERSITIES 2023

With campuses around the world and a strong international outlook, you'll graduate with a global education

Technology-rich learning environments that recreate real workplaces, ensuring industry-ready and highly employable graduates

Vibrant, active, inclusive, and diverse community on campus for a rewarding student experience

5 Stars Plus Curtin is the only WA university to have achieved a QS Five Stars Plus rating, the highest available for a tertiary institution (QS Stars)

#1 For graduate employment Out of WA's public universities, Curtin has the highest rate of graduates finding full-time employment (Good Universities Guide 2023)

Why choose Curtin College?

There are many ways to get into university. Our Diploma pathway programs are designed to suit all types of students, whether you didn't get the ATAR you wanted or don't have an ATAR at all.

What is a Pathway Program?

The Curtin College Higher Education Diploma program comprises of 2 stages. Stage 1 includes pre-university level units, which lead into Stage 2. Stage 2 has the same course content and structure as Year 1 of the corresponding Curtin University undergraduate degree.

Completion of the Curtin College Diploma allows students to gain direct entry into Year 2 of the corresponding Curtin University's Bachelor's degree.

Who is it for?

If you have not achieved the desired ATAR or have completed the general pathway in year 12, certificate III or IV, you can complete the Curtin College Diploma and then join Curtin University.

What are the benefits of a Pathway Program?

The advantage of completing a Diploma Program is that it is taught in a small and supportive learning environment to build on your strengths and give you the skills and confidence to succeed at university.
