Curtin College pathway to university

Master Qualifying Program pathway

Our Courses

Curtin College is your direct pathway to a highly regarded bachelor's or master's degree at Western Australia's largest and prestigious university, Curtin University—renowned globally for its strong industry connections, impactful research, and diverse range of innovative courses.

GLOBAL ACCREDITATION

Curtin Business School is globally recognised for teaching excellence and practical courses, holding prestigious accreditations from EQUIS, AACSB, and EFMD. In 2021, it became WA's only 'triple-accredited' business school, placing it among the world's elite institutions.

TOP 25 GLOBALLY IN ARCHITECTURE

Curtin is a top 5 university nationally and the highest-ranked in Western Australia for Architecture, placing in the top 6 in QS and top 25 globally in URAP (2022-23).

IMPRESSIVE RANKINGS IN HEALTH

QS World University Rankings by Subject 2024 ranks Curtin's Nursing course equal 12th in Australia, while Psychology at Curtin ranked 8th nationally in the reputable 2023 Times Higher Education World University Rankings (THEWUR) by Subject.

SECOND IN THE WORLD FOR MINERAL AND MINING ENGINEERING

Curtin has been ranked second in the world for Mineral and Mining Engineering in the QS World University Rankings by Subject for seven years straight.

LEADER IN DESIGN AND COMMUNICATIONS

Ranked in the top 100 globally for Language, Communication, and Culture, and in the top 150 for Creative Arts and Writing (URAP 2022-23).

A LEADER IN RESEARCH

Curtin is expanding its expertise in AI, data science, VR, robotics, and IoT, exploring their potential across diverse industries.

Masters Qualifying Program

Duration: 6-months

Intakes: February, July

Cost: A\$16,200

The Masters Qualifying Program (MQP) is a one-semester non-award program designed for international students who already have a tertiary qualification but who do not qualify for direct entry into a Master's degree at Curtin University. The emphasis is on developing the skills necessary to succeed in postgraduate-level studies.
