

Curtin College

in association with Curtin University

Health Science Summer School

Not achieved a passing rate this semester, or want to fast track 1st year?

Curtin College Summer School is offering units that are taught on-campus by a combination of University and College staff.

Units Offered

- Integrated Systems, Anatomy and Physiology (HUMB1001/ISA1001S)*
- Human Structure and Function (HUMB1000/ HSF1000)

All lectures and tutorials are delivered face-to-face.

These units are for Curtin College and Curtin University students.

*Students must have passed Human Structure and Function in order to undertake this unit.

Start date: 4 January 2027

End date: 3 February 2027

Domestic students:
AUD $2,487.50*

International students:
AUD $5,612.50

*FEE-HELP does not apply for external students, including Curtin University students

How To Apply

You are currently enrolled at:

Curtin College

- If the units are part of your course, you can complete your enrolment through your student portal and pay the relevant fees or choose to defer via FEE-HELP if eligible.
- You will receive an email as to your enrolment status.

NB. If you are attempting the unit which is not part of your study plan, the Program Manager will need to approve this.
*Any queries please email **healthscience@curtincollege.edu.au***

Curtin University

- Submit your application online: **curtincollege.edu.au/how-to-apply/apply-now/** and select 'Summer School'.
- Attach your Curtin University transcript and a scanned copy of your passport.
- If approved you will receive a Letter of Offer.
- Once you have received your Offer, accept the Offer with your payment and follow the instructions to enrol online.

*NB. You can only enrol in the unit if you have previously attempted or failed the unit at Curtin University or have an approval from the course coordinator . For any enquiries please contact **admissions@curtincollege.edu.au***
