Students under the age of 18 must have accommodation and welfare arrangements approved by Curtin College prior to leaving their home country.

This is a requirement of Australia Immigration. Curtin College can approve arrangements for students living with parents, legal guardians and relatives nominated by a parent/legal guardian of the student.

The guardian must be over the age of 21 and must be of good character which is shown by providing a police clearance of the countries in which they have lived in for more than 12 months in the past 10 years after the age of 16. If there is no guardian available, students under the age of 18 must reside in Homestay Accommodation.
