proudly recognised as a member of Navitas

advantage

Curtin College follows the Navitas Advantage pathway model, successfully progressing students to Curtin University.

As a Navitas Advantage pathway provider, we pride ourselves on helping students develop confidence and capability in all aspects of life, not simply academic study. In fact, we place equal value on the personal development of our students, as we do on their academic achievements. It makes our graduates better prepared for university life and beyond.

When you study with us, you're studying more than just a program - you're gaining real-world experiences and life-long memories while studying with a leading education provider.
