Curtin College

in association with Curtin University

Masters Qualifying Program (MQP)

Study on campus. Build your confidence. Progress to Curtin University.

Intakes: February & July **Duration:** 6 months **Fees:** $19,900AUD **CRICOS:** 066028J

Start your postgraduate journey in Perth with the Masters Qualifying Program (MQP) at Curtin College. Develop the academic skills and confidence you need to progress towards a selected Curtin University Master's degree.

Throughout the program, you'll develop the academic, language and professional skills needed for postgraduate study, with a focus on **academic communication, intercultural capability, research methodology and project management**.

You'll also strengthen valuable employability skills, including analytical thinking, interpersonal communication and cultural awareness, helping you transition confidently into your Master's degree and prepare for success in multidisciplinary academic and professional environments.

Study on Curtin University campus

Smaller classes and personalised support

My biggest gain while studying at Curtin College was confidence.

Before starting, I was sometimes worried about my English and whether I could keep up with postgraduate study in Australia. During the MQP, I became more confident with presentations, academic writing and communicating with classmates from different cultures.

Thi Thuy Nga Nguyen, Vietnam
