in association with

Curtin University

Curtin College Australian Citizen/ PR Students Mini Guide 2027

Start at Curtin College,
Graduate from Curtin University.

No Atar Required

Start at Curtin College, progress to Year 2 at Curtin University

You don't need an ATAR to start your journey at Curtin College. Build your confidence in a supportive learning environment, develop the skills you need for university and work towards a selected Curtin University degree.

With smaller classes, personalised academic support and access to Curtin's Bentley Campus facilities, you can take the next step towards your goals — even if you didn't get the ATAR you hoped for.

Curtin College could be right for you if you:

Have completed Year 11 or Year 12 through a General or ATAR pathway

For most Curtin College courses, an ATAR is not required. If you have successfully completed Year 12 General or ATAR studies, you may be eligible to enter a Curtin College Diploma, subject to course entry requirements.

Have completed TAFE, VET or other recognised qualifications
Your previous study may provide an entry pathway into most Curtin College Diplomas. This can include Certificate III, Certificate IV, Diploma or other recognised qualifications, depending on the course.

Want a more personalised university experience

Study in smaller classes with personalised attention and support as you transition into university-level study. Your dedicated Learning Advisor can help you develop study skills, manage your time and stay on track, while professional counsellors are available for confidential wellbeing and personal support.

Want to build your academic confidence

Develop the academic, research and study skills you need to succeed at university.

Build your confidence, become a more independent learner and feel prepared to progress towards your Curtin University degree.

FEE-HELP

Need help paying for your studies?

FEE-HELP is an Australian Government loan scheme that can help you pay all or part of your tuition fees if you're eligible.

As an approved Higher Education Provider, Curtin College can offer FEE-HELP to eligible students, allowing you to defer your tuition fees.

Are you eligible?

You may be eligible for FEE-HELP if you:

- Are an Australian citizen and study at least part of your course in Australia; or
- Hold a New Zealand Special Category Visa (SCV) and meet the eligibility and residency requirements; or
- Hold a permanent humanitarian visa and meet the eligibility and residency requirements.
- Eligibility requirements apply, and you'll need to provide supporting documentation.

How do you apply?

Once you receive your Letter of Offer, you can choose to apply for FEE-HELP.

You'll need to submit the Request for FEE-HELP Assistance Form to Curtin College by the census date.

Remember: If you withdraw after the census date, you may still have a FEE-HELP debt to repay.

20% Loan fee

A 20% loan fee applies to some FEE-HELP loans for fee-paying students. The loan fee is applied to each unit of study.

1

Explore

Discover your ideal course and check your entry options, whether you have an ATAR or not.

Visit the Curtin College website for course details, intakes and entry pathways, or speak with a Course Advisor if you're unsure about the best option for you. **(08) 6266 1600**

2

Apply

Submit your application online.

Be ready to upload your supporting documents, such as school results, graduation certificate award, passport.

3

Accept

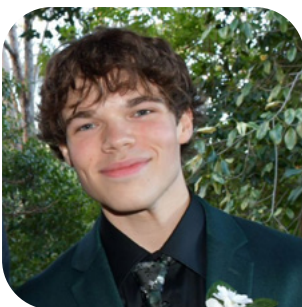

Once you receive your offer, complete the Acceptance of Offer form and pay your fees or apply for FEE-HELP if eligible.

4

Enrol

Get ready for an exciting new chapter!

Join Orientation, meet your lecturers and classmates, and start your journey toward your Curtin University degree.

When I first started, I was extremely nervous as I was going into a completely new environment compared to high school. I was unsure if I was going to make friends, or genuinely find a group of people that I can connect with. But as the trimester continued, each class was not only something to look forward to, but also something that made each of us appreciate the opportunity we have to study here.

Scott Stephenson, Australia

Diploma of Commerce (Curtin College) - current student

proudly recognised as a member of Navitas

advantage

Curtin College follows the Navitas Advantage pathway model, successfully progressing students to Curtin University.

As a Navitas Advantage pathway provider, we pride ourselves on helping students develop confidence and capability in all aspects of life, not simply academic study. In fact, we place equal value on the personal development of our students, as we do on their academic achievements. It makes our graduates better prepared for university life and beyond.

When you study with us, you're studying more than just a program - you're gaining real-world experiences and life-long memories while studying with a leading education provider.
