

Student & ATAR Profiles

INFORMATION TECHNOLOGY

The Diploma of Information Technology offers students an industry-connected experience, uniquely placed to provide solutions to the challenges faced by the global community. Curtin College will provide you with the skills and knowledge to enable you to commence the academic studies you will need for your career in engineering.

Admission requirements

All students must meet the academic and English entry requirements applicable to their chosen course. This may also include course pre-requisites.

Student profile

View our student profile tables to get an indication of the likely peer cohort for new students at Curtin College. The tables provide data on students that commenced Diploma studies and passed the census date in the Semester 1, 2025 intake period for which data are available.

Applicant background	Semester 1, 2025	
	Number of students	Percentage of all students
