## Tuition Fees and Charges Policy

### 5. Policy Implementation

#### 5.1. Fees and Charges – Approvals and Authorities.

- 5.1.1. The College may charge fees for enrolment, tuition, penalties, materials provision and various other activities.

Fee/ Charge Type	Delegated Authority to approve fee/charge
Tuition fees for international students	Executive General Manager
Tuition fees for Domestic students (Australian Citizens and Permanent Residents)	Executive General Manager
Administrative and Miscellaneous Charges	College Director

#### 5.2. Fee Schedule and Fee Inclusions

- 5.2.1. The tuition fees are charged according to the approved tuition fee for the course. Course fees for international and domestic students are available from <http://www.curtincollege.edu.au> and by following the appropriate links.
- 5.2.2. For a Study Period – The fee which a student is charged is calculated on the number of credit points in which the student is enrolled for the Study period. If a student is granted CRL the fees/refunds/penalties will be based on credit points net of exemptions. When an applicant accepts a place offered by the College by paying the fees, a binding contract is created between the student and the College.
- 5.2.3. If a student has been excluded or withdrawn and is later re-admitted to the College, the student is liable for the fee that applies at the time of re-enrolment
- 5.2.4. The College has the right to increase course or tuition fees and charges from time-to-time without notice.

#### 5.3. Due Date for Payment

- 5.3.1. Applicants who receive a Letter of Offer are required to pay fees for one study period prior to commencement of studies in order to secure their place. The amount of deposit required is stated in the Letter of Offer. The total tuition fees stated in a Letter of Offer are indicative only and are based on a full-time study load for one study period. The final tuition fees incurred may vary depending on unit selections, study load and promptness of payment. Students will receive a credit to their account where the incurred tuition fees are less than the amount paid in advance.
- 5.3.2. Throughout their enrolment, students are required to pay each study periods fee by the due date as prescribed by the College through portal and email.
- 5.3.3. A student who fails to pay their tuition fees in full by the due date may have their enrolment terminated and (in the case of international students) subsequently reported to Department of Home Affairs for non-payment of fees (refer to section 5.7).

#### 5.4. Late Payment of Fees

- 5.4.1. Any payments not made by the due date will incur a late payment penalty of A\$200. This charge is in addition to any late enrolment fees that may be incurred.
- 5.4.2. If fees remain unpaid after week 4 or if the payment plan arrangements are consistently broken the student will be reported for appropriate action.
- 5.4.3. All debts must be settled before exams are taken. Final results taken will be withheld until full payment, including late penalty charges, have been received.
- 5.4.4. Students will not be allowed to enroll in further units or courses until all outstanding debts are settled. Students may be encumbered from enrolment if they are a bad payer even if they have paid all outstanding debt.

The student's enrolment may be terminated in accordance with the Deferral, Suspension and Cancellation Policy. If it is the student's final study period with Curtin College, then the official academic record and award certificate (testamur) will be withheld until the account is paid in full. ### 8.3. Implementation of a Sponsorship Agreement

8.3.1. 8.5.3. Sponsors will be subject to the College policy for debt recovery procedures and at the discretion of the Senior Financial Accountant or nominee may have legal action imposed to recover such charges as are outstanding.

8.5.4. A sponsor's debt would not normally cause a financial encumbrance to be placed on a student. However, in specific circumstances such action may be taken following consultation between the Director Marketing and Admissions or the College Director or nominee.

## Tuition Fees and Charges Policy

8.5.5. If a financial encumbrance is placed on a student due to a sponsor debt the student will be informed of such action by the Senior Financial Accountant or Nominee.

### 8.6. *Extension of Due Date*

8.6.1. Sponsors may liaise with the College to negotiate extension to the due date for a sponsor payment.

### 8.7. *Eligibility for Refund*

Where a student is eligible for a refund of tuition fees according to the policy on eligibility for refund, the fees paid will be refunded, less the refund processing fee as per the relevant schedule, on application. The refund will be apportioned to the sponsor in respect of fees paid by the sponsor and/or to the student in respect of fees paid by the student.

### 8.8. **Scholarships**

8.8.1. Where a student is awarded a scholarship (Navitas or other) which includes the payment of all or part of the student's tuition fees, the implementation of the payment of tuition fees will be conducted as a sponsorship agreement in accordance with this section.
